

The Providores and Tapa Room

We are proud to offer the largest selection of premium New Zealand wines at any restaurant in Europe. We hope you find our list informative and concise - and that you are able to make an informed selection from it. We are constantly evolving our choice of wines, keenly aware of supporting the many vineyards throughout New Zealand with whom we have built strong relationships over the years.

New Zealand's Wine Regions

There are 10 major wine regions in New Zealand. Each boasts an enormous diversity in climate, terrain and therefore, style of wine. (see page 2 for regional descriptions) As a tribute to each of these regions The Providores will be profiling one wine each month in our 'by the glass' programme, allowing you the opportunity to try some of our favourite wines.

2013 Greystone, Sand Dollar, Pinot Gris, Omihi, North Canterbury

£32.00 bottle / £20.50 carafe / £6.90 glass

Green pear and apple combine with cinnamon, cloves and rock melon to make this harmonious, crisp and mouth filling wine

In 2000 the Thomas Family purchased a farm on the Omihi hills and began work to create the Greystone vineyard. From the outset there was one goal; to realise exceptional wines from the unique terroir. By 2004 with the help of Viticulturist Nick Gill they'd planted thirteen blocks across the Omihi slopes.

Dom Maxwell started with Greystone in 2004 as a Vineyard Hand after completing his degree in Viticulture and Oenology. Dom, then went on to become Greystone's Winemaker and in 2011 New Zealand's Winestate Winemaker of the year. The very name Greystone, draws its origins from the unique limestone conglomerate that were found in the bedrock on which the vineyards are planted. In 2008 the first wine was produced and from this point on, Greystone has grown amid accolades and acclaim to be recognised as one of New Zealand's best wineries.
